We have had an increased amount of popcorn being in children's packed lunches. Could this please be avoided ,as it is a choking hazard as it can be hard to chew and has a higher choking risk.

## Pre school children for school

Thank you for letting us know the school that your child/ ren will be going to in September. Next steps :

The schools will be making contact with the nursery and hopefully coming to visit them .  
The teacher will speak to the child's key person and will interact with the children.

If the school does not make contact with us ,we will contact the School and ask to visit or speak to the teacher.

The schools in the summer term will make contact with the families and they will arrange meetings for arrangements for the new school term.

They will arrange settling in sessions and some will complete home visits.

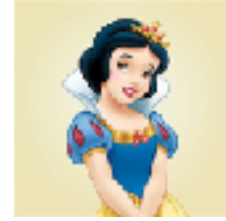

We will send the school a transition document highlighting all aspects of your child's development and them as an individual.

We are going to ask the teachers to visit if we can have a photo and we will create a photo album for the children to have as a discussion point .

If you have any queries, please email Andrea and she will hope to resolve them for you.

Remember funding end on Friday 18th August .After this date fees will return to full funding. If you require your child to stay after this date ,please let Andrea know asap.

End of term play /tea party

This will be on a Saturday and we are trying to arrange a date for the summer term.

Sun room

Themebase : Kings and Queens

Could parents please put the library books borrowed back in the box ready for the children to put away and let the child borrow another one.

Could children please try and be discouraged from bringing toys into nursery's items can get lost and it can be difficult to remember to put away or some items have been very small and can cause a choking hazard

Moon room

Spring and growing...planting cress seeds. Looking at different flowers and blossom.

Moon room would love to be sent in photo's of the children playing outside or going for days out

The children will be encouraged to take library book home every week and then returned the following week . The children will have a little library record book to see what books they have chosen.

Star room

Star 2 will be looking at transport and encouraging building/construction and simple counting skills. Also encouraging gross motor skills on mark making

Star 1 : Exploring textures red,white,blue. Small world play and creating bunting ,crowns etc..

Kings coronation

Friday 5th May we will be having a garden party to celebrate this event.

All children in on this day are invited to wear something red ,white or blue .

Yarnton Nursery

We have been given the go ahead from Ofsted to open this nursery and we are hoping for this to happen in June. We will be having an open day on Monday 8th May 12.00-4.00pm ,if any parents want to come and have a look.

On that note, thank you to the parents who have sent some very kind words on the inspection that took place at nursery in February. We have not heard anything at the moment ,but I will keep you updated.
